The maintenance of these records and the notice hereby given is not to be deemed an admission that the Publisher is the producer of material depicting actual sexually explicit conduct.

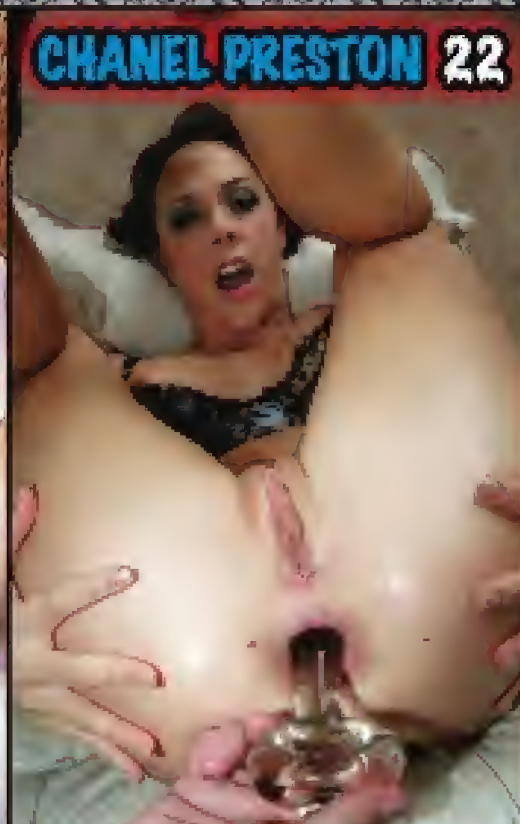

It's that time of year again, when FOX carefully assesses the creme de la creme throughout the hole of Porn Valley and honors those deemed most worthy. In accordance with time-honored FOX tradition, awards are doled out exclusively to recipients who have exhibited the requisite amount of depravity—they are rewarded for what they do, not who they know. FOX applauds astounding sexual athleticism! FOX lauds rampant lasciviousness! FOX bestows accolades upon bawdy, bed-ass bitches! To all the unapologetic, crazy, cum-grubbing FUCK stars out there, FOX says, FUCK YEAH! Not only is this issue plumb full of pornographic pics of our special picks, you've got all the rest of this going for you, too: EXTENSIVE on-the-set coverage of Jenni Farber's GAPE ME starring Chanel Preston, a second exclusive on-the-set feature on the making of Mike John's ELASTIC ASSHOLES, showcasing the innumerable talents of Sasha Sweet, and another of our trademark "At Home" specials, this time with the bawdy fun Alison Tyler, use the Cum Target to hone your jack mastery and when your wrist needs a break from all that spanking, find out who your pore found peers close as the TOP 25 most fuck-worthy shores. There are more surprises unmentioned, which you'll discover when you dive into "The 5th Annual FOX Awards," and this year's brand spankin' new presentation of "The Spank Bank Awards." Now whip out that dick and enjoy!

RUBBING IT RAW

Dear FOX: I jacked off so hard to the November issue that I rubbed a spot raw on my cock. I'm not even lying. There I was in my favorite chair with a towel draped over the arm (I am a neat man) and everything was progressing nicely and feeling great until all of the sudden it didn't. It actually began to hurt so I added more lotion but that didn't help. But I soldiered on anyway by imagining those girls in the pictures praising me for being so brave. When I finally came I looked down and noticed a red patch along the top right of my dick just behind the

head. It wasn't there when I had started pleasuring myself a few hours earlier. So throughout the course of me rubbing one (several) out to your outstanding magazine, I managed to injure myself. It's fine now by the way. I just laid off having myself for a couple of days until the skin calmed itself down. But wow-woe, I haven't never stroked it so much. Not even when I was a kid.—*Scott in Vancouver via email*

MORE NAKED IN THE MIDDLE

Dear FOX Magazine I really would like to request to see more naked photographs of

girls wearing only hats and socks. I know it may sound like a strange request but I think that if a woman has a few small parts of her covered up at either end she looks more naked in the middle.—*R.N. via email*

EDGAR ALLAN NOE

Dear FOX Magazine Tell me why you don't publish any photographs of those goth looking girls that I see everywhere. I mean they are everywhere where I live. At the mall, the grocery store, walking down the street it's like I can't turn anywhere without seeing black and pink hair (spiky like) and metal in the

face. I never thought much of that sort of look but then I couldn't help but notice that most of these gals have awful nice titties on them. So then I thought that I'd like to see them bare and I was hoping that you might do a special feature on those alternative looking women. There must be some fucking for a living.—*Donis in FL*

RED TIDE

Dear *POL*: That Dani Jensen you featured a few issues back is really my type and I wanted to drop you a line to commend you for your excellent taste in publishing pictures of her wearing those sexy little devil horns affixed to her long red hair. God I love redheads. I love red pubes. I love having them in mouth. I swear to Christ up above that they taste different than other colors of pubes. They are the only ones I don't spit back out right away but chew on them for a while like, savoring the flavor. That Dani Jensen looks like she tastes damn good.—*Steve in NJ via email*

WHEE KNIGHT ALERT!

Dear *POL*: I am writing you with the utmost urgency because I need to meet Sophia Jade. I believe deep down in my heart that she is my one and only true soulmate and I must get in touch with her somehow. Can you please help me out? I know I am meant to be with her because never before have I maintained an erection unaided by the help of pills or other assistance devices for 48 hours straight as I did when I saw her on the pages of your magazine. She is so sweet and special and sexy that my penis was electrified! I couldn't make it go down no matter what I did. I had to call in sick to work one day. It's Sophia! I am under her magic spell. I need to meet her because I know she was put on earth for me and me alone to enjoy. Please help.—*Fincent220 via email*

IMHAY ON THE ASS INK

Dear *POL*: Is it just me or do these girls in the adult business seem to be smartening up about covering themselves with godawful

tattoos? I guess a lot of them are still foolishly getting all inked up and ruining their bodies, but maybe what they are choosing to have tattooed on their precious skin is not as abominable as it used to be because it seems like for the most part I hardly notice. Except that Danya Vendetta, Dear god what was she thinking. She is perfect aside from that trashy ink on her ass. **ON HER ASS!** That part of her should be clear of any marks except the faint red outline of a hand after a spanking.—*Roger in NY*

PARDON THE PUD...

Dear *POL*: I am so excited by your magazine that I can't believe that actually managed to leave off pulling my pud long enough to write this letter. I assure you that it will be brief because I have better things to do. Namely, to continue pleasing myself until I can't squirt any more. I figure that I have about two or three pops left in me. I just want to say bravo for getting it right every single time. Your forever fan.—*Peter in OH* 🐱

2012 FOX AWARDS

Every year a very special sex kitten distinguishes herself from all the other pussies in pornland by out-fucking the entire pounce, and it is always upon this magnificent little minx that we bestow our "Starlet of the Year Award." Teen wet dreamgirl Jessie Andrews was the no-brainer, all boxer choice this time around, and when we dropped by her place to deliver the news she obliged us to shoot a hot set of dirty pics exclusively for FOX. A few facts about Jessie: she's from Florida, she's 5'8" tall, she turns 20 in March and she's smarter than the average bare-assed babe who's opted to make a career of putting out. If her brains don't make you hard, her body sure will: her girlish bee stings are offset nicely by a soft, plush bush and there's a juicy booty in the back to round things out. But the enthusiasm she shows when getting it on onscreen that really distinguishes Jessie. As smitten as she may be with social networking, you can be sure she'll never phone in a scene. 🍑

GAPE ME

EVILANGEL.COM

DIRECTOR

JONNI DARKKO

SLUT AND PUPPET

CHANEL PRESTON, MARK ASHLEY

PIKX & ARTICLE BY JEFF HUBRIS

ADDITIONAL PICS COURTESY JONNI DARKKO

Hawaii girl Chanel Preston is here today to have both of her lower openings challenged by Mark Adley's unit. It's another sex scene on another day of porn shooting in the San Fernando Valley in an apartment Jerri Darko rents that doubles as a porn set.

"Remember that Cinderella song 'Shake Me' I was inspired by that," he explains. "The name of this movie is *Gape Me*. It's not the girls gaping themselves. It's the guy doing it. Fucking pulling their asses open and shoving it in their ass-holes. Not just like boom, here's your open, shredded, fucked up warehouse of an asshole. Just really aggressive sex, and trying not to fulfill the stereotype."

Darko plays a self-produced techno CD and takes some posed shots of the universally attractive Ms. Preston in the living room. From a female beanny angle above, there is quite a lot to work with here and she's a nice hang on top of everything else. That's saying a lot these days. Darko is one of the best photographers in porn and knows this drill very well. His photos are legendary. Mark Adley chills out on a black leather couch watching the proceedings.

"I'm going to have you saying some shit over this track today also," Darko tells Chanel. His own self-composed music provide the soundtracks for his movies and it doesn't suck.

Darko is *FED's* Director of the Year. Starting out as a fashion photographer in Chicago, the lessons learned early on about lighting and some creation lent themselves to committing sex scenes to video as well. He came to Los Angeles in 1998 and secured a directing contract from Bill Angel after John Stagliano saw that his work was visually striking and stood apart. Darko porn is pristinely filthy and close up. You're diving into every gleaming pussy and hollering up every cavernous asshole. Hopefully that works. You're there for better or worse. This is real, close up reality porn.

And then there's the show. Women are elevated, glorified and lauded by Darko and others. There are no porno victims in Darko movies, only volunteers. These girls WANT to be there and make a point of it. Their coercion is never part of the appeal. In fact, he's made several movies individually dedicated to the lionization of particular girls, including *G for Genna* (Michael), *F for Fina* (Angelina), *F for Françoise* (Laf) and 2007's paragon London Keyes called, you guessed it, *L for London*. He won the 2001 AVN for "Best Ethnic Themed Release, Asian" for *Asian Fucking Nation* and has been successful at avoiding the "feature" parody trap. Because plot is an unnecessary accretion to true pornography in the first place, his movies are, and have always been, unadorned, cinematic sexual parody. Darko sex scenes are for sexual purposes only, strange as it seems.

JONNY DANKO: This is an anal movie but I wanted it to be like tasteful anal in a sea of all the brash, circusy bullshit. I kind of wanted something still strong and hard. I want to see gapes but I want to see them done a little more sexy than girls just blowing their assholes out. A little bit more discerning. I love seeing a girl's asshole. It's fucking hot as hell, but this is more like different buildups. Not just a girl getting fucked in the ass and jamming a toy in her ass played ad infinitum. I want aggressive anal, gaping, or just even working up to gaping. The art of getting a girl to do it. I want someone to be able to watch this with a girl and be into it.

(To Mark Ashley) She likes it rougher, she likes to be dommed, she definitely likes to be the sub, lots of orals and she says she's definitely into sucking dick. I want to keep it simple. I'm thinking doggie, we can do it three different ways here, doggie up, doggie down and doggie over, right? Then you grab her and pull her and we go upstairs.

(To Chanel) I'll do a little close up of you rubbing your asshole and how we get Mark in here is he's on the steps and you're smothering his face in your ass. That's what I'd like to start with. Eventually at some point I want him to just grab you. I don't shoot transitions, I think that's fucking retarded. The thing about story telling is not telling everything. There are no rules at this point. Your hair's all nice and fucked up so we can do whatever.

She's so beautiful. I could probably count on one hand the girls that you see pass by you and you go, God, I would love to spend an hour with that girl. If I could spend a long weekend with her it'd be great. I'd take a long weekend in Compton in a shitty hotel with that one. Right? And a shitload of coke.

I think I could have gotten more but my day was kind of interrupted by the weird weather. It just now started opening up and it just makes my shadows all different. I love cloudy days but this was just a little severe.

"I want to start the tease here on the steps and I wouldn't mind seeing like a doggie thing here," Darklo says to Mark Ashley. "I don't want to run through this gamut of like a million fucking positions. Let's just do the things we like and like the things we do. She's very oral, lots of orals."

Chanel Preston looks on and listens, decked out in a black bra, thigh and high heels.

"I'd like at least one hour of regular cowgirl," Ashley replies.

On the way to an upstairs bedroom to conduct an on-camera interview, Darklo congratulates Chanel for winning the 2011 XBIZ award for "New Starlet of the Year." He rolls video and she talks about her oral fixation and her love of anal.

"Let's see if we can complete the circle."

Darklo finishes up. "Thank you for being here and you're beautiful. By the way, congratulations on your award. More to come I'm sure. Cheers to you."

She responds with a simple "thank you" and the interview is over.

My highly developed porn girl presentability radar indicates that Chanel Preston would function very well in an accelerated sexual situation as well as in so-called "polite company." Aside from being very easy on the eyes, she possesses enough verbal ability to hold a room full of blindfolded, gainfully employed non-porn folks' attention at least until the blindfolds would theoretically be removed, at which time there would be no question as to her sexual power. To gain further insight into what secret qualities might be operative under this strikingly acceptable exterior I ask her to respond on the perversions adjunct to her BJ obsession.

"I just love giving oral sex," she says sagaciously. "I love it and one thing that drives me bonkers is if I can finger the guy in the ass while giving him head. I'm not really that into banging a guy in the ass because that's more of a domination thing but it's something about the asshole. It's just fucking so tight. If I can tell that a guy just really likes it, it just drives me crazy!"

Wowser! When, Nollie? I'm just sayin'

They head back downstairs. The scene will start with a scene on the stairs and then move back up to the bedroom for the heavy anal. Darko goes on a tear about the challenges presented by making original porn. It's a constant battle against the sameness of the old in-and-out.

"No predictable porn!" he yells. "Suck dick, three positions and gag on the face! Is that what we're really telling people? My thoughts are that I just want to avoid the predictable bullshit, I can't take it anymore, I don't know how people can do the same thing every day in and day out. I'd be such a drug addict if I had to do that. It's just bullshit! Wow, like you don't get a chance to feel? You just have to do this bullshit day in and day out!"

Chanel disrobes slowly on the staircase while Darko shoots video. They move to the upstairs bedroom and the dildos come out. There's a B then they begin the orifice drilling part of the show. Darko stops intermittently to take stills of the probing and butt gapes. Chanel sides for a H&M and they take it in that direction for a spell. It's a step by step method that will provide a striking video portrayal of so much more of the glittering minutiae of a pussy and anal bang out than even the penis wielder would ever be able to view. In a visual sense at least, reality is improved upon, if that's possible.

CHANEL PRESTON: I have a very small vagina but I have no problem getting large things in it. When I'm getting fucked I'm pretty basic. Missionary position is fine with me, like when their stomach is pushing on my clit it feels really good to me. I do like large penises and after being in the industry I realize how many girls don't like large penises. Like they'll complain that it hurts. I have a tight pussy but it can handle a lot of cock so I'm very lucky. Some girls can't and it hurts them. I actually can cum from anal alone but I have to be in the missionary position for that. Before I got in the industry if I was having trouble cumming, like if I'd been drinking or something, and a guy would put it in my ass I could always cum. I've had amazing vaginal orgasms but in general I do enjoy an anal orgasm.

If I tried I probably could fit something extremely large in my ass but that's not really my thing. I just want a cock up there. I'm not trying to put watermelons in my ass. I've been asked to put really large things in my ass and I actually turn it down. If it doesn't arouse me I really don't want to do it. I'm not a circus act type of girl and part of why I like to do porn is to show women how to feel sexy. Rather than having them think that something is fucking crazy I'd rather have them think something is fucking hot. I'm not into crazy S&M but I do like to be handled and dominated by men. I like rough grabbing and I do like choking but I don't like anything too aggressive. I like a guy to grab my neck because that's so dominating and if he's not choking you your neck gets so sensitive. That's arousing to me. I like a strong guy and I love strong hands. I have a really big hand fetish. For a guy who has really strong, beautiful hands I'm like, AMHH!

Still to this day I'm not into sleeping around a lot. I am about the quality and I want a guy to understand me and what I like. That doesn't happen when you pick someone up at the bar. I'm just really into trying to stay fit. I love running, hiking and going to the gym. I like to just hang out. I'm a foodie and I like to go eat with my friends. I don't want to be performing forever not that I don't like performing. I want to be more choosy, and I want to set myself up to where I don't have to rely on doing scenes and just do the ones I want. I'd like to maybe direct some short, erotic films and make them sort of arty-farty, which I would like but wouldn't expect to make tons of money from. 🍌

CHARISMA GAPPETTI

2012 FOX AWARDS

While it stands to reason that pretty much all porn chicks are a goddamn good time, some are just a bigger fuck-
ing blast than others. Charisma Cappelli is a fine example. She's our pick for "Party Girl of the Year" and it ain't
too hard to figure out why. Seriously, check out those hooters. Those bags are more fun than an entire barrel of
itty bittys, and Charisma, being well aware that her cream pies are a considerable part of her charm, loves letting
the girls out to play. Another thing she digs is using toys to give herself an O, and she couldn't care less about who
watches or what the neighbors might think. As long as there's a dildo sliding deep inside her pussy and a vibrator
humming happily up her ass, she's all smiles 'cause for C.C. that's the winning combination. Party on, Charisma! 🍆

**2012
FOX
AWARDS**

The new reigning queen of raunchy rutting is none other than Katie St. Ives. And she's a double FOX award winner! Katie's the proud new owner of the prestigious "Jill of all Trades" title for her "can do" attitude and vaginomite enthusiasm for performing a vast array of fucktacular feats, including taking down the ample affections of two sloppy studs at once. The venerable Timothy Von Svine and his buddy Agnus Maple teamed up to tag Miz St. Ives, and damned if those boys didn't go at her whole hog. First Katie knelt in between Svine and his husky henchman and sucked both their fat sausages hard before dropping to all fours to get done doggy. Next she straddled each of her piggy princes in turn and rode them breathless, her plump tits bouncing delightfully as she slid her sin up and down the full length of their pork swords. For the final finale, TVs and AM each bust a nice fat nut all over Katie, coating her cuteness with a thick smear of spunk. Pig Sauce Queen, we present Your crown!

LIFE LIKE IN EVERY DETAIL

Both TINA and LAURA have all their lovable soft features built right in. Even their hands are not detachable. All their sexual organs have been designed to be a smooth continous out flow of their soft, well rounded bodies that feel so real, you'll wonder how this was ever accomplished. Even her sensual lips, and deep throat mouth, powered by all suction, can open and close gently, thanks to her newly designed soft lips. And best of all, you can order direct from the manufacturer, and save about 1/3 of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

Annually, there is only one lucky lady who wakes up one morning to find herself branded FOX's "Porn Pig of the Year," and this time around the slickest sow in all of hor-biz is none other than Japanese sponge-sponge Aisa Akira. This mellow hot clam-monger has been bringing home the bacon by hooking her lady bits since 2006 and thankfully she doesn't show signs of stopping any time soon. Her fore-treats are porkcicles, and she melts them to goo with more than her mouth. Sassy, sexy, smart and outright insatiable, just last year Aisa's star-fish took home an AVN statuette in honor of its superb stretchability. She's all about getting as much dp as possible to double penetration,ATCH, and don't forget deer-fish pussy. Aisa is so open-minded and open-minded that she does not discriminate. She'll let whomever lums her down, men, women, or a porker in a pig suit. Aisa is down to do 'em all.

Allison Tyler answers the door in a sweater and leggings. She lives at the beach and the weather is on the cool side today. At first you are struck by her height and apparent strength, qualities that could conceivably be employed to throw you around as a sexual partner, and imply an ability to handle a great deal more rough play than your average walk-in-porn girl du jour could were the tables turned. You are confronted by a strong and erotically forward, robust female human being well able to express herself verbally and physically. Very impressive. Meet FOX's Amazon of the Year, Allison's Danish and Armenian heritage begot both a face that is beautiful and American, and an absolutely legendary natural rack that blows your fucking mind. She's going to show us her apartment where she eats, sleeps, fucks and throws orgies and tell us everything. Strap yourself in, Allison Tyler knows how to rope and ride!

FOX: Allison Tyler! Wow! Where do you come from?

AT: I'm a California girl. I was born and raised here, except that I was born in Palmdale in the middle of the desert. I was thinking, /I bet she's a ranch girl!

I and I grew up on a ranch, I definitely am a country girl. I grew up doing rodeos and I've had horses since I was born. I'm a ranch girl and a farmer's daughter!

She produces a picture of herself taken during high school in her rodeo duds. And how old are you anyway?

I'm twenty-one. I'm still a baby, still young.

Did you graduate from high school?

I did. I graduated from high school. I have my associate's degree and I am currently working on my bachelor's degree. My associate's degree is in Communications and my bachelor's is in Business at Cal State Long Beach.

Were you a super partier in high school?

You know what? In high school I was a jock. I played volleyball. I'm six feet tall, so it's hard not to me that—and I played soccer and I was really, really good until maybe my junior year. Then my friends and I realized that it was easy to sneak me out of the house so they'd come and pick me up at one in the morning and we'd go party and I'd be in bed when the sun came up. My parents were very strict, so I had to be a closet party animal.

So you would go out and party and have sex?

Yes. I lost my virginity, and after that it was a balls to the wall, let's-get-it-done approach to sex. I was a jock so I was kind of like a goody two shoes and it was easy to get away with.

Plus your parents were strict?

Oh my parents were very strict. My dad is a Marine, so he's very into routine. I had to make my bed perfectly before going to school.

Did he bounce that quarter off the bed to make sure?

Yes! He did do that! I would just pull the sheets and the comforter up and he'd come and pull them back down again.

What about you being a wild child? Was that reconcilable with them?

It was. I do have a relationship with them and they know that I do porn. Tell me how that is...

Well, it's kind of awkward. Sex was never discussed in our house, and I've always been the wild child of the family, so I am sure that it came as no surprise when they found out.

How did the whole porn thing happen? How did you come to L.A.?

What happened was that I moved down to Orange County to go to school which is where I've been living since I moved out. One of my friends here is older and he used to do porn when he was around eighteen or nineteen.

What's his name?

Well, he's in the industry now so I can't tell you, he'll kill me, it's got to remain anonymous. I was working two part-time jobs and struggling for rent, and he got the idea in my head so one day I just turned it out and got started.

Did you have to bang him first?

Well he and I were already banging and I really did hunt it out. I started recording agencies and companies and started contacting people. I thought this would be fun. I'd love to fuck for a living. I was a little ho in college.

What kind of stuff were you doing back in school, how far did you take it? Did you do multiple guys?

No, that didn't start until college, but I was definitely into girls. I have a thing for the women. I had my first threesome with another girl, which is every guy's dream, and I will do girls. I love women, my boyfriend will tell you, whenever we go out I'll say, *Oh she's cute, we should take her home!*

Do you bring other girls home to your boyfriend?

I try to!

That's always a plus!

It is, it is! And it's a good relationship, I like it!

What about anal?

I love anal. I do. I'm the anal queen! A lot of girls don't like a bun I tell them you just haven't done it right, because if you did you'd probably like it. I think a lot of guys are so eager to get in the ass that they don't take the time they should take to make sure that the girl is enjoying it. They just want to shove it in there!

That's the thing about porno. No prep.

Yeah, people don't understand that. It's like a prize. It's like they're saying, 'Not it's in, it's in! And then forget that there's a woman attached.'

A lot of porno dudes just go THONK into the girl's ass with no lube or anything.

I do a good amount of anal scenes and what guys don't see is that I stop eating the night before at seven o'clock, and you're got to prep and it's not just about the male talent just showing it in there and us going at it, which is why it gets misunderstood.

When did you start doing anal?

I was about a year into the industry and I'm two years in now, that's when I decided to start doing it and I'm happy with my decision. It's fun.

Have you changed sexually in those two years?

You know what? I have. Before I started doing porno I was engaged and I was living with my fiancé, and I was very vanilla. We would do our little thing. He was okay with missionary and doggy and that was it—"we're going to go to bed now." But when I started doing porno it really helped me find my sexuality and that's one of the things I really love about it. A lot of people talk down about it, but it's made me happy. I'm dirty. I am so dirty!

Tell me more.

Some guys get a little bit afraid, but I like to be choked until I pass out. That kind of shit, spit in my face. I would never have found out that I like that stuff had it not been for porno.

So you're kind of a sub?

I can be, on set though because of my height I do a lot of dom scenes, which they really love because I'm six feet tall, and I've actually really enjoyed those. But I haven't found anyone that's enough of a sub to really do that in my private life.

Where do you think that whole thing of liking to be choked comes from?

Why does it turn you on?

I love aggression, not in all forms but if I'm with a guy and we're at a bar, I like the guys that are a little bit possessive. I don't know why. I just do. I think it's hot. To me they're really manly, they can take control.

And it means they're into you.

Yeah it's kind of animalistic, and I feel the same way with choking and spitting. It's really raw and animal. I'm so used to being a dom on set that it's nice to feel a little sub off set.

What else turns you on? Is it easy for you to cum when you're performing?

I have once but for me it's more for the man's benefit. I definitely enjoy it. It's fun being watched, so just being on set is a big turn-on.

So you're an exhibitionist?

A little bit. I used to go down to one of the male beaches that are right down the coast here a good amount with my girlfriends. The guys like to watch you and sunbathe.

And in terms of giving yourself orgasms, what's your protocol?

I absolutely love my vibrator. I've got eight of them in my drawer and I masturbate at least twice a day. Once in the morning to wake me up and right before bed because it's relaxing and if I'm not doing anything that day, chances are that I'll be in bed masturbating.

What's the vibrator of choice, what's your favorite?

They're single, the little short hard plastic bullet ones.

Are you one of those women who can cum from fucking?

I can cum from fucking but I cum really fast with a vibrator. It doesn't take but a few minutes and I can also cum from anal, but it's got to be the right situation.

A lot of women say that it has to be at a certain angle.

That's what I mean. A lot of girls haven't done it properly because it can feel amazing. There's a different spot in your ass that's the equivalent of a G-Spot.

And you can climax from that?

Oh definitely, if someone's doing it right.

Do you do DPs?

I don't on film, I have in my private life. I do a lot more in my private life than I do on film.

Really? What's that about?

I don't I don't know I guess I'm trying to take it slowly and stretch out my career a little bit, but in private life things just happen. I don't plan them, they just do. For instance on the Fourth of July my girlfriend and I had an orgy in here, I had just moved in and we ended up with six guys in my house. People say how does that happen and I don't know, it just does. Same thing with DP. I've done DP and double vaginal, all in my private life.

Would you do it in porno?

I might probably do DP, I don't know about double vag, but I'm planning on doing DP sometime in the future.

I'm surprised you haven't if you're already orgying out in your private life.

There's something about being on film. I've done some pretty wild anal scenes, but I feel like I'm very vanilla on film so far.

Why do you think that is?

One of my rules when I got in is that I would never do something on film that I wouldn't do in my private life, so when I think about what I'm doing on film

I want to make sure I'm really enjoying it, because it shows if you don't. I can't do that if I'm feeling a little bit uncomfortable.

And also porn cock is different than pedestrian cock?

Porn cock is different in that it's more performing, and there are different angles. There have been a few anal scenes where I have just gotten railed! By the time I was done with those scenes I'd be driving home and my legs would be shaking and I'd think, *Holy shit, he fucked my brains out!* They get pretty crazy!

Tell me the difference between regular sex and porn sex.

Say I pick up a guy at a bar, I don't expect that guy to rape my asshole and spit in it, and spit on my face and slap me and shove four fingers up my cooch. I don't expect that and if he did that I'd probably be blown away! *How the fuck did you come from?* You know when you're going on set, I always prepare myself because there's a lot of videos that I've done where I've walked out of there thinking, *Oh my god, the last anal scene I did I had a spermban in my ass, and they stretched it all the way to the biggest settings, and then I had three girls spitting in it!* It's just nasty and dirty and I love it! You don't expect to find that off-set. On-set is where I get to get out my freaky side so I can be normal again.

What did you do right out of high school, what was your life like then?

I moved down here within a month after high school, so I was out of the house and me and my girlfriend used to go streaking around my apartment complex. I'm always naked. Ask anyone who knows me, I'm always the first one to get railed at the party and I'm always the last one to get dressed after a scene. I am just always railed so it's never a surprise when I go streaking or skinnydipping.

Why do you think you're like that, after being rained on conservatively?

I'm a free spirit, I've always been like that since I was little, and I have been naked. I don't really have any inhibitions. I think my parents always knew about me. In my first conversation with my mom after I started, and of course she was upset, she said we always knew you were going to be a stripper! I said, *But mom, I don't strip I'm doing porn, you know!* So they always knew I had a wild side to me.

Are your parents religious?

No they're not. My dad was raised Mormon and my mom is Catholic, but we weren't really raised in either church. So no, they're not religious, just conservative. When I got out of high school I was CUTE. It's such a small town, it's hot, it's windy, it's boring, I didn't have any fun, I was out!

Did they think you were just going to hang around the ranch and help out?

I'm sure they did. I am definitely a farmer's daughter and was definitely a daddy's girl. I barrel-raced horses growing up and had to get up at 4 a.m. every day to take care of the horses before I went to high school, in addition to soccer and volleyball practice. I never got home before seven so I'm sure that's what they thought. Then I moved down here and started having orgies in my living room.

When you do orgies in your personal life, where do you find the people?

Do you have your circle of friends?

We kind of do have a circle, there is a select few people which is how the orgy happened. We were all partying down on Main Street, but I have been known to pick up a few people, because the bars are so close down here, and bring them back, and then kick them out, make them walk back to the bar! You've got to keep it exciting.

So tell me about your living room.

My living room is so plain right now, I just moved into this place so I haven't gotten a chance to hang pictures or anything yet. I spend a lot of time in here. I am in here sometimes and I absolutely love this couch. This is my friend's old couch and I have been drunk and slept on it so many times that I had to take it when she moved.

Allison puts some heels on, which increase her Amazon quotient

by what means like a foot or so. She opens the refrigerator door.

My kitchen is so open. I absolutely love to cook. I love to feed people. I was going to make you cookies but I woke up too late. I try to eat really healthy. If you look in my fridge a lot of it is green. I eat a lot of protein and a lot of green vegetables and I have a juicer that I love.

What kind of stuff do you like to cook?

One of my favorite things is Mexican food and I make really good stuffed salmon. I LOVE to cook.

You're like the perfect girlfriend. You bring girls home to fuck and cook tea!

And I love giving blow jobs. Don't get me wrong, I love sex, but to me blow jobs are just a little more fun, I feel like I can control the man with my mouth which is amazing. I'm really sloppy and messy. It's funny because I dated one guy who didn't know I did porn. We fucked and he was just blown away by the blow job I gave him. A couple days later I felt like I needed to tell him that I did porn and he goes, *I figured that because no normal girl can give a blow job like that.* I'm very proud of my blow job skills.

Do you use your tongue piercing when you do that?

I do, but with a lot of guys it doesn't make a difference. It's more for my benefit.

AMAZON OF THE YEAR

ALISON
TYLER

Where did you learn the BJ skills?

I taught myself, nobody taught me. I listened to the guys. You can always tell if you're doing something right. No teeth, ladies! Keep your teeth away! Never a good thing.

Tell me about your tattoo. "There once was a girl who didn't know love until a boy broke her heart."

I know. I was like eighteen when I got it and it sounded like a great idea at the time. That's actually one I'm not too proud of but I got flowers put around it because it was all black and it looked very hard. Now it's more of an art piece than a mistake. I really love this "Danish Doll" one. I'm Danish, that's where I get my height from. Danish and Armenian. Weird combo. So I'm tall and hairy! That's hot, right? My mom was the Armenian and she was short. My dad is six-six and I look exactly like him. It's scary.

You are so awesomely tall. I hear a lot that tall dudes don't like tall girls and go for the short ones. It's weird.

I know. I don't know what it is. I've dated maybe one or two guys that are taller than me and they liked tall girls but for the most part I've dated dudes that are shorter than me and they fucking love it.

What kind of music do you like?

I honestly love everything, there's just about every genre on my iPod but I really love rock. That's probably my favorite. I think it's sexy. I like older rock like Motley Crue and Guns N' Roses. Now I like Southern...I think BQ kind of. Stuff like that.

So this is your closet.

She opens the sliding closet door apologetically.

My closet gets dirty. I'm really, really bad about putting away clothes. I'm horrible so it gets like this and my cat comes in here and sleeps. He thinks it easy because there's shit everywhere.

What do you do with your non-porn time?

I'm really outdoorsy. I still horseback ride and teach kids how to ride. I love camping and I go rock climbing. If I can find things to do naked, I'll do them. I have an app on my phone called "My Naked World", and you can type in where you are and it will show you all the nudist resorts and beaches and clubs in the area. So I like to hunt those down.

When you go to the nudist places do you get to hit on people?

You're not supposed to do that, but the last time a girlfriend and I were at the nudist beach we brought home a guy that we saw surfing naked.

Is your girlfriend in porn?

She was in porn, she's not anymore.

Are you going to tell me who that is?

Her name is Bailey Lane. She was very short term, she's on FreeOnes, but she was only in for about four months. She lives right down the street from here.

I can tell by your body that you're a super athlete.

I played volleyball all through high school and through my college career and I rode when I was in college. I want to get into a coastal school so I can get back to that. I am such an athlete. I love it!

How about your pussy, what's your relationship to it?

I love my vagina! I nicknamed it Magneto, and right now it has a souper because a few of my friends and I are trying to see who can grow their top bush the longest in two weeks. I have a great relationship with my vagina.

Can you take a lot of stuff up there?

I can, and I have actually been told by a lot of people that I've worked with and fucked, including women that have had their fingers up there, that my vagina is very tight and I'm proud of that because I've had hands up there. I've had two cocks up there and that fucker just goes right back to the original size!

Can you take more in your pussy or your ass?

Probably my ass.

All girls say that. But some girls are just built bigger in different places.

That's true, and when you have kids your hips widen, so it naturally opens up anyway. But right now I would definitely say my ass, because it stretches better.

Your fucking rack is incredible.

I've got huge tits! The are a J&D, I'm going to get them done next year maybe.

NO! PLEASE, NO!!!

I know. Everybody does that. I want them a little bit bigger. Just a little bit. Not huge. I haven't decided yet.

Why do you think you need your tits done?

I don't think I need them done. I want them done. I hate wearing bras with a padding. Hate it! I just want them to stay. I don't want them to go anywhere else.

Did you get big breasts early?

You know what? I didn't. I was real skinny and I didn't have an ass or boobs and then it all happened over summer. Oh my god it was like SHOOM! Actually girls were spreading rumors that I stuffed my bra. When I was in high school my best friend pierced my nipples and I thought I was the shit and I was going around showing everybody. All the guys were going, *WYNNIE THAT PLEK DID YOU GET THESE HUGE TITS FROM!!!* You didn't hate them last year.

You're a really tall, big strong girl. How has that influenced your social life and your sex life?

I'm Danish and the Danish were Vikings. I'm definitely sturdy. It's been good and bad. I stand out a bit more which I like sometimes because, I'm not going to lie, I like the attention. But also guys get really intimidated. Guys are such little bitches. They get intimidated so easily and I've had guys come up to me in clubs and comment about my height like it's going to make me upset and I just look at them like, *YOU'RE PATHETIC. You're such a little pussy. What the fuck? I'm probably one of the coolest girls you'll ever meet and you're telling me that you wouldn't even hit on me unless I was wearing heels? Fuck you!* I've had so much of that. I love heels and I'll wear some that are like five or six inches which makes me like six-five or six-six, a good head and shoulders taller than most of the guys I come across.

What is it about you tall girls that makes you want to wear super high heels?

It's not that I want to wear them to make me taller. It's just that I have a genuine love for shoes and a lot of tall girls won't wear tall heels because they feel that they're too big but I ain't got like that. I've accepted my height and I'm going to wear heels if I want to. Fuck you if you don't like it.

Do you find that larger or smaller guys are attracted to you?

I get hit on so much by short guys it's not even funny. Sometimes tall guys will make comments that I'm tall and they like it because they're so used to short girls but I get hit on constantly by short guys. I've had a few midgets hit on me too.

That's money right there!

I think that they love it because it's so different. It's interesting.

So how do you feel about being FOX's Amazon of the Year?

I'm excited! I don't think that I had a lot of competition. Porn girls aren't known for their height but it's pretty cool.

Do you get hired expressly for your height?

Like I said I've done a lot of porn scenes. I work for Mean Amazon Bodies a lot because Glen just absolutely loves how tall I am. I beat guys up and make them swallow their own cum. I slap on them and I smack them. Last time I shot for them Glen had me pick someone up and throw him over my shoulder. It's fun. I find that I get into character and it takes me like a day or two to get out of character. It stays with me for a while.

So what's going on right now with you and porno?

Well, I've got a few reviews that just came out and one that's being released, and *The Justice League of Villains* is on its way out. I play Chastah, she's a villain, and I have lots of fun sex with Harry Scott as Flash and Talon as the Green Lantern. It was great. My tail was a butt plug and I was full-body painted and we were running around naked outdoors in the hills of the Valley. I got called in the a/s for an hour! Great day at work, right?

How much are you working right now?

It varies. Sometimes I'll work like twice a month and sometimes I'll work like three times a week. It definitely varies especially because I don't have a full-time agent right now and I do a lot of my own booking. I like not having the middle man and being able to communicate with the directors and the producers so nothing gets mixed up. If I'm running late I can call them directly instead of having to call my agent and things don't get lost. I'm pretty on my shit and I like to keep everything organized.

So you never show up to set twanking or hammered? C'mon!

I don't understand how so many girls even make money. It's recorded, I could never function. I smoke a little bit of weed here and there but I could never come to set on anything. I'm completely sober because I love what I do. The way I look at it is—if you have to take yourself somewhere else and do drugs and get drunk before you come to set then you shouldn't be doing it if you can't do it sober.

Yup. So what are your future porno plans?

I love porn, so I'm running my website, www.alisonmylegsex.com, and I'm definitely going to keep that going and I'm hoping to start a sister site and recruit girls and start my own website that's just me. So down the road that's what I want to do. Right now I'm just going to fuck and make money. I love doing porno. I really do, and I love going to the convention and meeting fans. It's so much fun. I'm not going to be able to do that forever though so you've got to have a plan!

What have we learned? We know now that Allison Tyler is Amazon of the Year in a universal way. Her sexual lifestyle and desires speak of ancient female power. She is different now. Polyamorous women of size, strength and style want to use you for your loads and your orgasms. You are a fun producing sexual pod used for women's pleasure and amusement. Pornography, as a constructive force is improving people's lives, thank you GOD, Allison Tyler has had a deleterious influence on my pathological negativity. Porno gives and Porno taketh away. Allison is absolutely stupendous, but then again I'm a fucking Polyanna when it comes to naked, super-attractive and sexually free uber-women. This Spinner thing is just fine but I have always operated at the other end of the female physical spectrum, whenever possible. I am and have always been an Amazon fan and I'm biased as hell, but you're going to be hearing a lot from Allison Tyler if she stays around. There is a lot to love here and she'll blow you away. 🐾

DIRECTOR
MIKE JOHN

SLUT AND PUPPET
SASHA SWEET, MR. PETE

PIKXX & ARTICLE BY JEFF HUBRIS

Sasha Sweet says "My" a lot. As in "My, I got a new rack today. I'm excited!" First of all, there's this excellent rack and a great vagina support system that includes, among other things, a very active self-disclosure capability. She'll be banging the venerable Mr. Pete today for *3000 John's Elastic Assholes 9* and has completed a map analysis of the upcoming sexual interlude.

"It's fun variety and I've heard he's a good performer," she says. "I've heard he's really high energy and I like that. If the other gonnies isn't then your energy is going to die too and I'm very perceptive to that. It's important to have a good attitude. You can tell the people who really like it and those who don't."

With under a year of porn industry involvement, Sasha has established herself as a firm non-cum-dodger and a porno-enthusiast who would never shirk her promotional responsibilities on- or off-camera, and truly can't help it. We here at *PORN* do our best to circumnavigate the filth and glory erotic theater that characterizes so many of the new youngsters who are already caught in the late romance of "THE INDUSTRY." Better, when we bring you a *PORN* Newcomer of the Year she's a genuine sexual freakazoid. Count on it. Endless hours of culling those who slide by on an initial surge of popularity, or something even less palpable from those who have had problems reinventing in their sexual acting out from the absolute beginning, have led us to the inevitable porn enigma of Sasha Sweet. Let's investigate.

She's a native of Manhattan Beach, California and of Russian Jewish extraction. She is frequently mistaken for a New Yorker and calls herself "a nice, dirty, Jewish girl." True to form, in addition to owning a striking, authentic rack she sports an ethnically pure, only partially de-forested, Jewish style merkin.

"I love my hairy crotch," she proclaims. "Yield! I'm very womanly and I don't want to look like a little kid, because I don't anyway. And with my body type, I like the bush, I love it. I was shaved for a while as a teenager and when I first got into porn, but after a while I just got over it. I don't think it looks as pretty just bare. Plus I have a big ass and big hips so it balances out my figure more I think."

Tim Von Seine shoots off, and then Mike John takes her outside for a video tease on the pool deck. Both admit to still having to grapple with the efficiency inhibiting effects of female nakedness.

"Eh, tits and bush and she's really cool tho," John says despairingly. "Tig til retardation has set in. My brain goes down to like 40-50 percent and after a certain amount of time I have to give the camera back to Tim."

It's important to note here, ladies and gents, that a legendary porn director with an advanced degree in Pornographic Criticism, after so many years of constant debauchery still admits powerlessness to the disorienting force of a hot, naked chick. It's cooler and more porn fashionable to be alone it all, for those whose souls have not yet been thoroughly crossed, the affliction is, and always will be, as safe as yesterday.

"Big ass retarded vertigo is what I get," gripes Von Seine. "It fucks me up because I want to stick it real fast and get in that pussy. AAAAA Mike sees the tits come on and he just hits the Record button. He doesn't look at what he's shooting."

Remember, dear reader, that these dudes are your bros. They're maybe even more fucked up on pussy than you are and have made it this far. Ultimately you want people fucked up enough on pussy to turn the obsession-based, non-mechanical impressions and creations of their mania into jerk-off material. Now *that's* art. To the opposing camp, it's just another day at the office down at Erotic Central Planning: *Have you heard that porn dweeb, tilted and inane feature pornographic films are making a comeback?* I'm shocked!

Sasha Sweet takes a cigarette break on the back terrace and peruses an issue of *FOXX*. Let's look into her sexual brain even further. For once it's all sort of interesting. There's actually something to work with here.

"Sexually I would describe myself as very kinky," she says. "I like roughness, both giving and receiving. I like slapping around and dirty talking and intensity. Very, very intense sex."

She smokes a couple more cigs and jokes about her debut photo set in *FOXX*. Since she's in for a serious anal reaming today, I ask about her relationship with the buggery ceremony.

"I really like the feeling and intensity and the taboo of anal," she says shrilly. "Although it's not really taboo, but I like being the dirty girl. I like placing my ass on rock! I can cum from anal, but it really depends. And I can always come from anal if I masturbate while getting fucked. That's always fun!"

Mike John calls her inside. Oh my. It's time to shoot a porn scene. It's so easy to get distracted by a naked chick with an awesome, natural rack, an attractive crotch carpet, and the ability to string thoughts together. Wow! I'm a good 70-percent dumbered down by Sasha Sweet's tits too! They really, really work! She puts out her smoke and gets up to leave, but not before adding:

"On my Twitter I asked, 'Have you peed in anybody's asshole?' And I got like forty followers! What's up with that?"

I'll tell you what's up. Twitter is so square and can't keep up with the rhetorical musings of Sasha Sweet. So boring. So retarded. Sad really.

SASHA SWEET: Blow jobs are my forte, so I've been told. It's because I like eating. I like things in my mouth. I like cocks. Starting to work in porn was very natural. Obviously it's very different than what you perceive it to be from an outsider's point of view, so I was a little bit nervous before my first scene, but after that I just thought, okay, this isn't scary at all! I didn't know what to expect, because you're presented with such different images at home. Occasionally I want it really slow and sensual, but most of the time I'm like, throw me on my floor and fuck my ass! It really depends on my mood. That's what I did yesterday! The main thing that makes me come is guys eating my pussy, I'm very clitoral, I don't own a Hitachi wand and I get off best with my fingers. I know myself so well with my hand that I know the exact pressure I need. And sometimes vibrators. I'm very sensitive and they're too much! I'd rather just rub one out. As long as I don't lose my hand somehow, I've got my favorite hand, right here. I'm really into BDSM, I'm dominant but I also can be submissive so I guess I'm kind of a Switch. The ATM isn't gross to me at all. I think it's sexy. I can come vaginally, it just depends on the angle and the way the guy's cock is shaped. I can squirt and have G-Spot orgasms, some people just hit that spot.

I don't like television. I think it's control of the masses. Mind control. You don't really learn anything from it. I watch a lot of film. I love cinema. I also read and I play video games or I post on my blog, all that fun stuff. I'm a real internet girl. I love my computer. It's my baby.

I've always been very radical sexually, very open-minded, very experimental and exhibitionistic, always! Even with my early boyfriends I'd say, *Let's fuck in the movie theater!* or, *Let's fuck in this hallway!* and I was always trying new things like when I first did anal, it was my idea. I told my boyfriend, *I want you to fuck me in the ass.* And another time I said, *I want you to come on my face!* To me, sexuality is like a restaurant, and there's so many menus, and why limit yourself to just one cuisine when there's so much to try? You live once, so, I enjoy that.

SASHA: I love my boobs, they're natural so they're going to hang a little but, they make me happy! I don't think I need a boob job anytime soon, maybe in thirty years or something. In my non-porn life I'm a huge bookworm, I read constantly. I love books. I primarily love epic fantasy like Robert Jordan or Tolkien. Right now I'm reading *The Game of Thrones*. I'm a very nerdy girl so I stay true to my nerd ways. I'm also a gamer. I play a lot of *World of Warcraft*, and I'm also a silent film buff and a film buff in general. I'm very introverted. I'm not in porn, but in my private life I'm just a normal girl. Being from So Cal makes it different than coming here from somewhere else where you feel like, *Omigod I have to be part of this whole thing*. It's important to separate yourself from it a little bit. I love porn but at the end of the day I just want to do normal things. For instance, I have a cat, and I spend a lot of time with my kitty. I've told my mom since I was thirteen that I was going to do porn. I was a rebel fuck everyone, I'm going to do what I want! So when she found out she wasn't mad. She said, it's not surprising because you've talked about it for so long. And she's really accepting of it. My younger sister found out, and she's told everyone at her school about it, and now they're all obsessed with me, it's hilarious! They say things like, *Oh I found your sister naked!*

I have some ideas about what I want to do in the future. I love porn, so I want to be in it for as long as I possibly can, and make a name for myself and do something with it, but I'd like to start directing really artistic, kinky porn. That's something that I like because I'm an artist and I'm really creative, and I think there's so much porn that lacks creativity. I'd like to direct girls with bunny ears and buttplug tails fucking each other with strap-ons in really stylized, cartoon-like make up, something that's really avant-garde you could say.

I'd like to eventually have a family and do the mellow thing, but still be the kinky, crazy, horny housewife. That will never go away. But when I'm older I'd definitely like some sense of normalcy in my life and have something stable. I have a lot of skills, I just like sex a lot and I like showing people what I do. But I'm very literary. I've always thought about psychology or literature or something along those lines. I write, so there are a lot of avenues that I could take.

NEWCUMMER OF THE YEAR

SASHA
SWEET

There's a short dramatic set-up that involves her showing up at the door looking for Swine but Mike has sent that lover elsewhere to fuck him over. He's not getting the pussy—a real sex machine, Mr. Pete, is. They start the fuck on a white sofa. Yes, this is filthy couch porn. Sasha takes the cock in her pussy and aw, appearing to enjoy every minute of it. Pete bangs the stuffing out of her but not the couch and vice versa. She takes him back from a tilt fuck. Von Swine shoots the stills.

After it's over, Mike and Swine are very complimentary and mention her ultra-lead hang out vocals.

"When I scream like that at home the whole building can hear me, but it's real," Sasha replies. "I cum very intensely but I've never liked an orgasm."

She showers and slips into a short denim skirt and a bikini top that barely holds in that amazing boobage. Mr. Pete is ready to split and embraces her with a simple "Thank you." It's a poignant, heart-felt porn parting moment, straight out of daytime television.

"No, thank YOU so much," she answers. "I hope we see each other again."

Pardon me, but I'm just not accustomed to this much adult film industry sincerity. I just assume everyone is lying about everything all the time. Porn is all about credit card processing, content conversion, affiliate programs and member retention now. The suits have moved in to suck off of the internet commerce.

Shiny, happy motherfuckers. At least the on-camera bang out today didn't suck. Mr. Pete, who has seen it all, was grateful for the fuck and that's saying something. Mike John is way satisfied. Sasha Sweet was hammered down all day. All killer no filler. John mentions that he definitely wants Sasha back for a Round 2.

"Nyt!" she yells. "I want! That was so fun!" 🐶

"I've been in porn for a while and I realized that I'm not exactly the prettiest boy in the business but I have one thing going for me. I can get my dick hard in a heart-beat. I don't need any help. The girl just has to pretend she likes me and I can rock 'n' roll. I'm 46 now and as long as the girl acts like she likes me I can go all day. I've got the confidence and I try to have the Rico Suave charm, and I can get my dick hard which girls sometimes appreciate. I wonder why all of these pretty boys can't get their dick hard because they're more into themselves than the girl, so, porn girls, regular girls if they act like they like me I got no problem. If they're mean to me then I have an ego problem. With my little ego that I got then it ain't happening. A couple girls were mean to me one time. I had three girls on me at once, hot chicks too but they were not the most pleasant girls sometimes and I was like, well I ain't gonna do this if you don't like me because I fuck for having fun. It's all about fun, whatever I do. For other people or for this? Let's have fun. Don't make it seem like you're such a prostitute. You saw me work, I did my job didn't I? I could compete with Fran Storie and Tommy Gunz. All those macho men." — Adam Wood

FOX TOP 25

Lots of magazines and websites publish lists of their "Hot" this or "Top" that, but who really goes to the fan himself and asks his opinion? Well, FOX does, because we care about the common man! In an ongoing effort to keep our readers up on today's hottest and brightest stars, we randomly asked porn fans on Twitter to rank their Top 25 favorite active pornstars. What we discovered more than anything else is this: You perverts really like a LOT of girls! A whopping 343 different porn stars received votes. The only rule voters were given was that the porn star must be currently involved in shooting scenes in the adult industry. (For example: Bobbi Starr = Yes! Sasha Grey = No!) Points were awarded as follows: 25 points for a 1st place vote, descending to 1 point for a 25th place vote. Here are the results:

SPANK BANK AWARDS

BY @Gabriel_Lan

It is time, once again, for the annual Spank Bank Awards.* This year's awards show was the biggest one ever, with more awards being handed out, and more stars "on hand" than ever before. That's due in no small part to and for the first time in awards show history we have a major sponsor! FOX has seen the true genius of the opinion and perspective of ME, "Joe Average" a former porn store clerk and just your basic regular guy on today's hottest and brightest fuck stars. The awards were held LIVE in their traditional location my lavish living room in warm, sunny Neuders Special, USA.

This year's co-host and featured entertainment at the Spank Bank Awards show was the incredible, multi-talented Ashli Orion. Ms Orion performed both her hit song "Cock" and an amazing light show in which she employed only a speculum and a laser pointer. Let's also not forget her 15 wardrobe changes during the show, each complete with a different butt plug for every outfit. The night was full of even more surprises, including a dark horse, underdog winner of the biggest award of the night—the highly coveted "Most Spanked To Girl of the Year." And now, without further ado, FOX in association with Gabriel Lan and the Twitterview proudly present this year's winners of the Spank Bank Awards!

*Spank Bank Awards are voted on by a committee comprised of a panel of critics (me), noted adult film commentators (me), outside-the-industry media insiders (me), X-rated film fans (me), and a committee chairman (also me). Nominees who attempt to entice or influence the committee's votes by "buttering up," "sweet talking" or using "sexual innuendo"—or any other manner of, or allusion to, actual felony—greatly increase their chances of winning.

2012
FOX
AWARDS

Junk
Maze

The BootyFu. Jinx Maye is the winner of FOX's "Best Bodent-a-dent-a-dent" award, face down. This prize-worthy piece of ass is part Peruvian, and it's safe to assume that her vicious lust is thanks, in large part, to that Latin blood. It's only right to point out that the rest of Jinx isn't so bad either. She's been graced with every pretty face and sports a fine set of curves, strong shapely legs and a pussy so inviting that its pump is a whisper of the warm, wet secrets contained within. Jinx loves to get real nasty when doing the dirty, in fact she's particularly fond of getting DP'd. Scenes showing her spectacular rump in action, pink from pinches, skin wet and slick, flexing and bouncing as The Maze takes on two cocks at a time, represent some of the finest moments in sex on television. Look no further, ladies on the other corner, Jinx!
